STATE TROOPS SENT TO BLOOMINGTON TO STOP STRIKE RIOT

SYMPATHIZERS WITH STRIKING STREET CAR MEN CAUSE DISORDERS.

FOLLOWING MOTHER JONES TALK

Labor Agitator Stirred Up Strong Passions In Address Last Night.

Bloomington, July 6—Shortly before noon all was quiet in Bloomington following an outbreak of sympathizers in the local street car strike last night.

Troops from Peoria arrived at 8 and six batteries were en route from Chicago.

A conference was held this morning by labor leaders, the mayor, the sheriff and representatives of the street car company to adjust matters.

Power was ordered turned off by Sheriff Flesher at midnight; it was resumed this morning.

The strike has been on for several weeks in an orderly fashion until last night "Mother Jones," a labor advocate, delivered a speech. Immediately disorder prevailed.

One man was shot through the neck and taken to a hospital.

Refused Conference

Supt. Snyder of the Bloomington & Normal Railway Co. refused to meet the committee of the striking employes today and Mayor Jones then wired Gen. Manager Chubbuck of Peoria, head of the Illinois Traction System, the owning company, asking him to meet the committee, but his reply was "Any meeting held must be arranged by Supt. Snyder."

All saloons were closed at noon. The feeling among laboring men is very bitter, but quite prevailed at 2 o'clock.

More than 1,000 soldiers have arrived to preserve order.

Enormous Increase in Cost Of Army Supplies Shown In Appropriation

Washington, June 6—An idea of the enormous cost to maintain America's fighting forces is given in the statement issued by the committee on public information. Subsistence that in 1915 was supplied at the cost of this year will cost more than \$106,580,000, this year has been provided for in the appropriation estimates at \$122,000,000. MRS. A. E. GROVER DIED IN MISSOURI

FORMER DIXON LADY PASSED AWAY SUDDENLY THURSDAY EVENING.

Mrs. A. E. Grover, mother of City Clerk Blake Grover, herself a resident of Dixon over a quarter of a century, passed away at the home of her daughter, Mrs. E. A. Wright of Portageville, Mo., at 8:30 p. m. on Thursday, her death being quite sudden. The remains will be brought to Dixon for burial and it is probable the funeral will be held Sunday afternoon. However, more definite announcement will be made later.

Mrs. Grover spent the winter here and in Chicago, returning to Portageville in the spring. She was about 78 years of age and is survived by two daughters and three sons: Mrs. Wright, at whose home she passed away; Mrs. D. N. Ridgley, St. Petersburg, Fla.; Blake Grover, Dixon; Hatcher Grover, St. Louis; Donald Grover of St. Louis.

This afternoon it was announced that the funeral will be held Sunday afternoon at 3 o'clock at the home of City Clerk Blake Grover, 315 E. Fourth street, with burial at Oakwood cemetery.

VISITED FORMER LEE CO. FOLKS

Mr. and Mrs. Ed Miller Return From Auto Trip In North.

Mr. and Mrs. Ed Miller and son Theodore and Miss Mary Becker of Palmyra, have returned from a three weeks' auto trip through the northwest, on which they visited at the homes of Shelby Kested in Minnesota, Mr. and Mrs. Snadie of Lake Preston, S. D., and John Miller of Greenwood, Wis., all former residents of this vicinity. All of the friends they visited are in excellent health and are prospering. The tourists had arranged to visit other former residents of Lee county, but were prevented by bad roads, made impassable by heavy rains.

SOMETHING IN THE AIR

(Associated Press Leased Wire) Washington, July 6—Enough importance was attached to the mission of Henry P. Fletcher, Ambassador to Mexico, who hurriedly left Mexico City as soon as permission had been granted him by the state department, to arrange for a conference today with Sec. Lansing on board the train which is carrying the Secretary to Henderson Harbor, N. Y., for a three weeks' vacation. State department officials have protested ignorance as to Fletcher's mission.

IRISH CONVENTION SOON

(Associated Press Leased Wire) London, July 6—Premier Lloyd George announced in the House of Commons this afternoon that the Irish convention will meet July 25th to deal with preliminary business including the appointment of a chairman.

BELOVED FRANKLIN GROVE LADY IS DEAD

MRS. M. E. DURKES, AGED 82, PASSED AWAY THURSDAY NIGHT.

PROMINENT IN LOCAL AFFAIRS

Mrs. M. E. Durkes of Franklin Grove, mother of W. C. Durkes of Dixon and S. A. Durkes of Franklin Grove, passed away at her home last night after an acute illness of only a few days.

The funeral services will be held from the late home in Franklin Grove at 4 o'clock Saturday afternoon. Rev. Graham of the M. E. church will have charge of the services.

Mrs. Durkes, who was 82 years of age, was one of Franklin Grove's best known and best beloved women. Her long life in that community, her unending devotion to church work and public welfare, had brought her close to the hearts of the people of Franklin Grove, and her death brings grief and sadness into every home.

Mary Elizabeth Jones was born in Paris, Canada, Dec. 5, 1838. She came to the United States with her parents in 1854 and for several years lived in New Milford and in Grand Detour, Ill. She was married in 1859 to Conrad Durkes, a pioneer and a prominent Franklin Grove man. Mr. Durkes preceded his wife in death 19 years ago.

Mrs. Mary Durkes was the oldest of eight children, four of whom still survive. They are Mrs. Chamberlain of Colorado; Mrs. Allen of Spokane; Adolph Jones of Iowa and Albert Jones of near Franklin Grove.

Mr. and Mrs. Durkes had five children, two of whom, Kinde Durkes and Mrs. Dr. Hewitt, have passed away. Three sons survive: W. C. Durkes of Dixon; Steitzer A. Durkes of Franklin Grove and Augustus Durkes of Omaha.

Mrs. Durkes was one of the oldest members of the Methodist church of Franklin Grove. She had lived ever since her marriage in the home in which she died.

For several years Mrs. Durkes had suffered poor health and many times it was only her great courage and strong will which retained the spark of life. Her last illness commenced but a few days ago and her weakened physical condition could not endure the strain.

A good woman, a loving wife and mother, an intellectual and courageous spirit has gone to her just reward.

DRUNK ON TRAIN; GETS 30 DAYS

C. train Thursday evening for drunkenness and disorderly conduct on the train and was turned over to the local authorities when the train reached this city. This morning he was arraigned in the county court and sentenced to 30 days in jail.

OPEN SUNDAY TO TRAFFIC

Assembly Park will again be open to traffic on Sunday, July 10th. The roads of the park were oiled recently.

RED CROSS FUND CLIMBS STEADILY TOWARD THE GOAL

COMMITTEE MEETS WITH ENCOURAGEMENT ON EVERY HAND IN SOLICITING

CAMPAIGN CLOSES ON SATURDAY

Many People Not Waiting for Committee But Go To Members or Banks To Donate.

The Red Cross fund is growing steadily, and the Dixon people and the residents of the surrounding community are coming forward in a most generous and commendable manner and putting down their names on the Red Cross roll of honor without hesitancy. The close of the campaign on Saturday night of this week will no doubt see Dixon's share of the Red Cross fully subscribed and Dixon will have reason to be proud of her showing.

Many people are not waiting to be seen by the soliciting committee, but are coming to the banks or sending or phoning to some member of the committees and asking that their names be put down for various liberal amounts.

Up until about noon today the following names of donors had been handed into headquarters. Others who will donate today and tomorrow will be published later:

## OUR SERVICE And What it Means to You

You are Rushed for Time--A Machine Part Breaks--And Then--

Every Hour of Delay Counts. Your Crop Is in Peril.  
How Soon Can You Get Repairs?

If you bought your farm implements from pictures in a book, your distress can easily be pictured—when the rush of work is on and an important machine part breaks.

You can see the repair parts, too, in pictures, but you can't see the repairs themselves—not for days—days when you can almost feel real money slipping from you.

We sell implements that are built in every part to stand the strains of operation. They have made their great name in the world because of their quality. Yet sometimes in the rush of work, when

men and machines are overtaxed, even our implements may need repairs.

Our service to you takes care of these accidents—quickly. We carry repairs in stock—right here among you. Repairs not carried, we get in a jiffy. Getting repairs to you in a hurry is one of the special features that make our service profitable to you.

If one of our implements should happen to break, phone us promptly—just as you would phone your doctor when a bodily injury occurs. You will find that our repair service saves you dollars when time means dollars.

## RUMOR DRAFT IS ON STIRS NATION

Serial Numbers for Registered Men Causes Report.

## PERU, ILL., BULLETINS HOAX

Report Said First Thirteen Numbers to Be Drafted Were Officially Given Out at Washington—Put on Baseball Score Board—Lowden Puzzled Over Exemption Board Quitters.

Chicago, July 6.—The rumor that the first citizen army of the republic was being drafted swept Chicago and resulted in a stir of unwonted interest in the war. The rumor had it that the names were being chosen, the official numbers picked. The first flurry of interest soon sharpened to a sort of mild though anxious panic of curiosity. Mothers, sisters, wives and sweethearts vied with fathers, brothers and husbands in calling the newspapers by telephone or seeking verification from the federal building.

Although the rumor was persistently denied by official sources and although there was no foundation for it, no denials could keep pace with its spread and Chicago waited on tiptoe during a supposed drawing of names.

How the Report Originated.

## ENOUGH CANS; PACKING ON

Putting Up of Food Products, Stopped Two Months Ago, Is Resumed.

Washington, July 6.—Canning of nonperishable food products, discontinued two months ago at the direction of the war can committee, has been resumed. The committee, comprising tin plate manufacturers, can makers, canners and government officials, announced that the supply of cans now is ample for all food packing.

Packers of other than food products will not be permitted to use tin containers for some months.

Washington, July 6.—Exemption boards which will administer the selection of the draft have begun giving serial numbers to the men who were registered on June 5. Instructions from Washington are to post the numbers publicly as soon as given. This was being done in some parts of the country and led to false reports that drafted numbers had been announced.

No drafting whatever has been done as yet and probably will not be done for several days.

**Claim First Draft Numbers.**  
Peru, Ill., July 6.—A baseball bulletin board here posted what were said to be the first thirteen numbers drawn in Washington for the first draft army. The excitement caused by the hoax is still spreading.

The persons operating the board asserted that the numbers came to them from a telegraph company as a tip, along with the regular baseball scores. Here are the numbers:

5-11-17-61-62-67-100-107-109-111-114-145-146.

THE LEAST YOU CAN DO.

"Fight or Pay" is the slogan adopted by the Red Cross campaign managers in America. It does not mean that by paying, anyone who ought to fight can buy immunity. Nor does it mean that anyone who ought not or can not fight, has to pay. It simply means that everyone in America—everyone who enjoys the freedom, protection and prosperity of this land which is periled by Prussian autocracy should be grateful enough for the comforts of the past, anxious enough for the comforts of the future and should have enough patriotism in their hearts to do one thing or the other, "Fight or Pay" to help "Old Glory" to the victory that will surely be hers. Don't let it be said of you, when this war is over and victory is won, that you, who will enjoy the fruits of that victory along with every other American, had no part nor made any small sacrifice toward that victory.

If you follow The Flag to the bloody plains of France you will be doing the utmost that any American can do. The boys who fight this war with bayonets and guns make a sacrifice that can't be compared to the gold that the people who stay at home will pour out to supply the fighters with their equipment and their comforts. The homage and the honor will be due those lads who are going across to hew a gory path through Germany that the light of humanity and brotherhood and true Christianity may find its way into that benighted land and displace the spirit of "frightfulness" and hate and jealousy and greed that is bearing down and oppressing the people of that misguided nation.

A great many men are unable to answer the call of the trumpet. The least they can do who stay at home is to give and give liberally of their money.

The dollars that are given to the Red Cross save lives and ease suffering of wounded soldiers. How can any American with a spark of patriotism or humanity in his makeup withhold money that he can afford to give when he knows the good his money can do? Let it not be said that any citizen of Dixon so failed in his duty to his flag and his God as to refuse to give to the Red Cross.

The least we can do is to give.

## GERMANS ARE THROWN BACK

Biggest Teuton Offensive Since Battle of Verdun Is Defeated.

Paris, July 6.—After their strongest offensive effort since Verdun the Germans found themselves thrown back everywhere along an eleven mile front on the Chemin des Dames, leaving the ground thickly strewn with their dead, and having failed to take even one French soldier prisoner.

The French lines remained intact and the French commanding general, who watched the operations throughout from the front trenches, was able to declare that not a single yard of territory had been lost. The Germans came forward everywhere in the closest formation and in successive waves, preceded by the famous "shock" troops, which were mown down.

## PERSHING TO WED, REPORT

General's Name Linked With That of Miss Anna Patton of California.

Los Angeles, July 6.—The Times prints details of a rumor that Major General John J. Pershing, in command of the American forces in France, is engaged or is to be engaged to Miss Anna Patton, daughter of George S. Patton of Pasadena and Democratic nominee last fall for United States senator.

When General Pershing was in Los Angeles in March he was a guest at the Patton home. At the time he denied that a wedding was in prospect. Mr. Patton denied that an engagement existed between his daughter and the general. Miss Patton herself said: "Yes, I have heard of the rumor but, really, I'm not engaged to General Pershing or any one else."

Here is a location that has been known as a Furniture Store for OVER FIFTY YEARS—and the business is Here—you don't have to go to the trouble and expense of establishing yourself, and my only reason for discontinuing is on account of too many duties.

## CORPORATION TAKES OVER MUSIC STORE

NEW COMPANY FORMED TO CONDUCT MOYER MUSIC BUSINESS.

A business change in Dixon that will create no small surprise was last night consummated when the Victrola, Edison and piano stock of the Moyer furniture company was taken over by a number of Dixon men who plan to form a corporation soon. The stock in the new firm will be owned jointly, it is announced, by W. J. Kennedy, Earl C. Kennedy, John E. Moyer and V. R. McCreery.

In order to give room for their business the new firm plans to sell at extremely low prices the present Moyer stock of pianos and musical instruments during the next week. After that the firm will greet its customers at a new location, in the opera house block, 112 Galena avenue. All the leading makes of pianos will be carried in stock by the firm and in addition a line of player rolls and talking machines will be carried.

Mr. Moyer, who will be the senior member of the firm, needs no introduction to the people of Dixon and Lee county. He has been engaged in the furniture business in this city for a long term of years, and has also been treasurer of Lee county for several terms. For the present Mr. Moyer will retain his furniture stock at the old location. The other members of the firm are all prominent in Dixon and have plenty of push and energy to make their venture most successful.

## LOWDEN DENOUNCES ILLINOIS OUTRAGES

SPRINGFIELD, ILL., July 6.  
"A blot on Illinois history that cannot be erased," is the brand placed upon the race riots at East St. Louis by Governor Frank O. Lowden in an address at Carrolton, when a monument to the memory of Thomas Carlin, sixth governor of Illinois, was unveiled.

"I have been weighed down, as never before, after visiting the hospitals at East St. Louis, and visiting those charred ruins of homes," the governor said. "We of the north have criticized our southern friends for their treatment of the negro. I am going to be frank with you today, and tell you that I know of no outrage that has been perpetrated in the south that surpassed the conditions I found at East St. Louis, our own beloved state."

EAST ST. LOUIS, ILL., July 6.

## SHERMAN FLAYS EAST ST. LOUIS

Illinois Senator Denounces Sa-  
loons, Becomes Bone Dry.

## BROTHELS CAUSED RACE WAR

Senator Lewis Had Been Defending City—Vigilance Committee Organizes at East St. Louis and Blacks Told to Return—Labor Needed to Man Industries.

Washington, July 6.—The race riots in East St. Louis, Ill., were written into the records of the senate in fiery speeches.

Senator Thomas used them as a text to preach about the social unrest of the country and the activities of the agents of Industrial Workers of the World, who he branded as murderers and assassins.

Senator Lewis defended the name of Illinois and of East St. Louis and declared that the real facts about the rioting had not found their way into print, and that the people of the city would ask for an independent federal inquiry to bring out all the facts. He said that the news reports indicated that a large number of the men who took part in the atrocities had come from across the bridge.

After Senator Lewis had concluded, Senator Sherman took the floor. It was thought that he rose to join in the defense of the people of East St. Louis. Instead he launched a bitter attack upon the lawless element of that city, fostered and outraged in spirit by the lawless saloon and liquor interests, and while he did not indict, made no apology for the members of the Illinois national guard who failed to restore order in the mob ruled city.

Sherman won't defend Outrages. "I knew that twelve companies of Illinois national guards failed to restore order or to prevent some of the outrages even after they had arrived upon the ground. Some of the companies arriving early at the scene were disarmed, their authority set at defiance and they were treated with contemptuous disregard and outrages continued even after they were present."

"But I wish to say, Mr. President, that the principal source of the violence, of the fetid, corrosive element that blazed away in disorder and wrote the story of blood across the sky over East St. Louis, is the infernal lawless, damnable saloons that have infested that town and damned the community for years."

"I have no words of apology for the slaughter that has happened there, for American citizens under the full panoply of the laws of their country who have been brutally outraged, taken into an alley, shot by revolvers, beaten to death with bludgeons, burned in their homes, fleeing to an opera house for safety and having it burned and wrecked over their heads, thirty-four charred corpses taken from the ruin—I have no apology for that for my own state or any other state, for something that ought never to happen and would never happen except for the inherent defect that is lurking in our system—the increasing contempt for law and order that is springing up all over this country into a grand procession of criminals."

Bone Dry Senator from Now On. "It is the saloon keepers of East St. Louis and their kind who lead the van of every lawless element in breeding and showing itself infamous vermin on every community where they are suffered to exist."

"I am a bone dry senator from now on." Senator Thomas started the debate over the riots by a direct reference to what happened in East St. Louis on July 3.

Vigilance Body Rules East St. Louis. East St. Louis, Ill., July 6.—A "vigilance committee" appointed at a conference of leading citizens has in effect superseded the regularly established city government. They have decided to bring the three thousand male negro refugees back to their work here.

This decision made public has set the local situation on a hair trigger basis. Leaders of the faction which

drove the negroes out declare that negro employment in East St. Louis is ended forever. "If they come back we'll get 'em sooner or later," is the way they express it.

The right of law abiding citizens to be allowed to work is upheld by Adjutant General Dickson in command of the troops here. "We are not going to stand for any more rioting; we are here to protect law abiding citizens in their right to work."

Extra rounds of ammunition were issued to all the companies on duty. Manufacturers said "there is not sufficient white labor in the city to man our plants, and unless we are able to take advantage of negro labor we will have to quit."

Unquestioned Authority. "Look here, doctor," roared the irate man who had just received a bill from the physician, "on what do you base these enormous charges?" "On the best authority in the world," calmly responded the doctor. "Doesn't the Bible say: 'All that a man hath will he give for his life?'"

The Rexo Film is non-curling. It lies flat because it is treated on the back with a special process in the coating of gelatine. This greatly facilitates handling in printing. The fast film is ideal for the amateur, the faster the better. The high lights, half tones, shadows and colors will be reflected on the film in the camera.

The extra speed in Rexo Films facilitates and insures the greatest number of good pictures. The high speed of Rexo Films reduces the chances of faulty exposures, and means automatically increasing your percentage of good negatives.

why in thunder the rest of them hadn't burned.

A dense pall of smoke hung over the city and streamed away to the south and east. In the burned district all sense of location had been lost. Where before had been well known landmarks now lay a flat desert. The fire had

burned fiercely and completely and in lack of food had died down to almost nothing. A few wisps of smoke still rose, a few coals glowed, but beside them nothing remained to indicate even the laying out of the former plan. Only over across a dead acreage of ashes rose here and there the remains of isolated brick walls. They looked through the eddying mists and smoke like ancient ruins separated by wide spaces.

I gazed dully across the waste area, taking deep breaths, resting, my mind numb. Then gradually it was borne in on me that the Plaza itself looked rather more empty sided than it should. A cold hand gripped my heart. I began to skirt the smoldering embers of the shanties and wooden warehouses trying to follow where the streets had been. Men were prowling about everywhere, blackened by smoke, their clothing torn and burned.

"Can you make out where Higgins' store was?" one of them hailed me. "I had a little shanty next door and some gold dust. Figure I might pan it out of the ashes if I could only find the place."

I had no time to help him and left him prowling around seeking for a landmark.

The Plaza was full of people. I made my way to the northerly corner and, pushing a passage through the bystanders, contemplated three jagged, tottering brick walls, a heap of smoldering debris and a twisted tangle of iron work. This represented all that remained of the Ward block. The chance of wind that had saved the shanties had destroyed our fortune.

## MAKING UP FOR LOST TIME

If you have formed the habit of spending all your money—if you are in a rut—get out of it.

Remember that there is only one difference between a rat and a grave—you can't get out of the grave.

You can join the Building and Loan for as little as \$1.

When you start you agree to pay in a certain amount every month. That is surer than saving what you don't happen to spend.

Ask us when the next series starts.

Established 1887
